Access**

Easy to find

Practice: Use Networking Assistant to Generate a Networking Diagram

Scene 2

Practice: Use Networking Assistant to Generate a Networking Diagram

The screenshot displays the 'Huawei Storage Networking Assistant' web interface. The top navigation bar includes the Huawei logo, 'Enterprise', the product name, and a language selector set to '中文'. Below the navigation bar are five tabs: 'Basic Networking' (active), 'Customize', 'Cases', 'Expansion', and 'Solution'. The 'Basic Networking' section contains three input fields, each with a checkmark icon to its right: 'Product type', 'Product name', and 'Networking configuration'. Below these fields is a large, empty rectangular area labeled 'Diagram'.

Easy to use

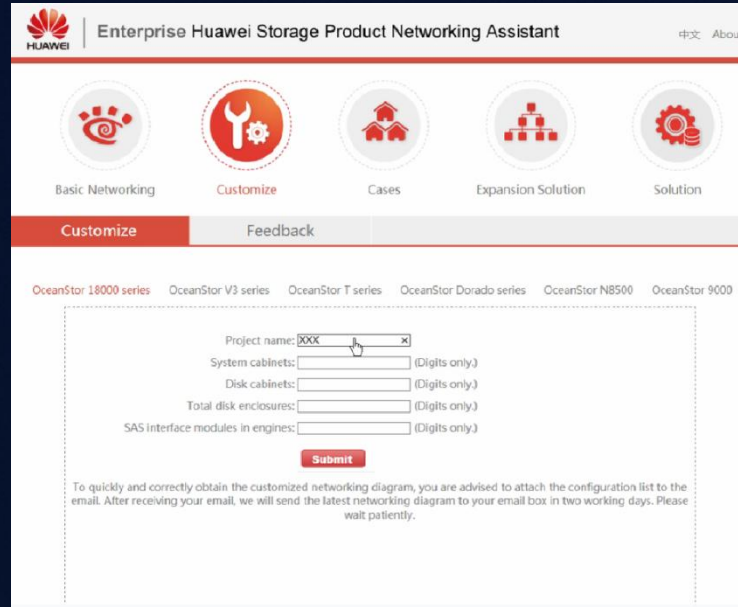

Practice: Provide Feedback and Interact with Each Other

Scene 3

Practice: Provide Feedback and Interact with Each Other

The screenshot shows the 'Enterprise Huawei Storage Product Networking Assistant' web application. The interface includes a navigation bar with the Huawei logo and the title 'Enterprise Huawei Storage Product Networking Assistant'. Below the navigation bar are five main menu items: 'Basic Networking', 'Customize', 'Cases', 'Expansion Solution', and 'Solution'. The 'Customize' menu item is currently selected. Below the menu items are two tabs: 'Customize' and 'Feedback'. The 'Feedback' tab is active, showing a form for providing feedback. The form includes a 'Project name' field with the value 'XXX', and four other input fields: 'System cabinets', 'Disk cabinets', 'Total disk enclosures', and 'SAS interface modules in engines'. Each of these four fields has a note '(Digits only)'. A red 'Submit' button is located below the form. At the bottom of the form, there is a paragraph of text: 'To quickly and correctly obtain the customized networking diagram, you are advised to attach the configuration list to the email. After receiving your email, we will send the latest networking diagram to your email box in two working days. Please wait patiently.'

ROADS

Happy Ending

To be continued

A vibrant sunset sky with rays of light and colorful clouds. The sky transitions from a deep blue at the top to a warm orange and red at the bottom. Several bright rays of light emanate from behind the clouds, creating a dramatic effect. The clouds are illuminated from below, giving them a golden glow.

THANK YOU
